B: LIVE VIRTUAL PERFORMANCES VIA ZOOM

No matter where you are in the world we offer a 45 minutes-1 hour storytelling experience for your organization with a live storyteller. The teller(s) will prepare 30-45 minutes of storytelling with a 5-15 minute Q + A session with the storyteller(s) to immediately follow the stories. *Packages come with an accompanying study guide tailored to the story content presented.*

RIBS Workshops

We can work with your organization to design storytelling practices that strengthen critical-thinking, communication, reflection, and cultures of dignity and respect. We offer workshops for those who want to improve their storytelling skills using:

- Storytelling in the classroom
- Storytelling for community building and social justice
- Leadership training through sharing and listening to personal stories
- Staff development and team building through storytelling

We will work with you to create a workshop that suits your desired outcomes.

Storytelling Performances

Our storytelling performances are suitable for grades levels preschool - college. We schedule the storyteller based on the grades of students. We recognize that you may have a specific storyteller request. We will do our best to honor that. We can assure that you will have a wonderful experience.
